

## EXPLORING COPENHAGEN- CASTLES, CULTURE & EDIBLE TREATS

O'BRIEN PRE-CRUISE PROGRAM | SEPTEMBER 10 - 12, 2017

It is incredible to think how, once a Viking fishing village, the Danish capital has become Scandinavia's most refined urban experience. A center for laidback chic and home to a culinary revolution, Copenhagen embraces its rich history while testing the boundaries of creativity in design, food and happiness. Whether you're interested in architectural beauty, cultural heritage, sleek functionalism or the prolific food and bar scene, this city is definitely worth spending an extra few days to get to know better.

We invite you to join your fellow wine cruisers two nights early where you'll explore these different aspects of Copenhagen. Dine in Tivoli Gardens, tour Rosenborg castle, visit the birth place of Demark's most famous beer and rub elbows with the locals in the vibrant water front district of Nyhavn.

### DAY 2 | COPENHAGEN – SEPTEMBER 11, 2017 [B, L]

Meet your local guide this morning for a city tour of some of Copenhagen's highlights including the 'Stroget' area, Christianborg Palace, King's New Square home of the Royal Theater, Nyhavn Canal district and

Amalienborg Palace. Aimed at giving you a general understanding of the heart of Copenhagen, this tour covers an incredible range of architecture within a small area, renaissance, medieval, baroque, Dutch style and the modern architecture with glass and steel. Your next stop is a guided visit of the Rosenborg Castle, home of the Danish crown jewels and stunning example of the Dutch Renaissance style so successfully adopted by King Christian IV.

No visit to Copenhagen is complete without savoring the local food and drink in the lively Nyhavn canal district. Here you will enjoy a traditional Danish lunch with wine- a great opportunity to do some people-watching and a perfect example of why Copenhagen gets constantly ranked as the happiest city on the planet.

Following lunch you'll head to the world-famous Carlsberg brewery founded back in 1847 by art lover J.C. Jacobsen. Discover the fascinating story of Carlsberg, and not only the brewing but the family history, art and architecture of this historical place.
